**DEDICATIONS**

**I**n memory of Alan Harvey Miller, 1958 – 1993, beloved nephew whose life was too short, but who died doing what he loved most—white water rafting on the Salmon River in Idaho. He will be missed.

**A**nd Jack H. White, my friend and mentor, who passed away on New Year's Day, 1994 in San Diego, California. My condolences to his wife and companion of more than 55 years, Wilma, whom I remember affectionately as "Willie." Thanks for the memories, Jack.
